A screenshot of a mobile application interface. At the top, there is a teal-colored button with the text 'Ok' in white. Below the button, there is a horizontal row of five square placeholder images. Each image contains a large 'X' and the text 'Image not found' in a small, grey font. To the right of the fifth placeholder, there is a small, grey text label that reads 'Image type unknown'. A dashed orange line is drawn around the top-left corner of the first placeholder image.
